Kapının Sanatsal Yüzü

2004 yılında kurulmuş olan **ARTPAN**, merkezi Kayseri'de bulunan 8000 m²'si kapalı olmak üzere 15000 m² alanda ahşap ürünleri ithalatı, ihracatı ve üretimi konularında faaliyet göstermekte olup Türkiye genelindeki iç kapı, çelik kapı ve mobilya dekorasyon sektörlerine sunduğu **ARTPAN** doğal ahşap kaplamalı kapı yüzeyleri, telalı rulo kaplama ve yaprak kaplama gibi bir çok hammadde ithalatı ve doğal ahşap kaplamalı kasa ve pervaz sistemleri, doğal ahşap kaplamalı cam çıtaları, ahşap kaplamalı süpürgelikler ve ahşap kaplama kenar bantları gibi bir çok yanı mamül üretimi yapmaktadır.

Türkiye genelinde 2000'in üzerinde üretici bayi ve müşterisi ile 500 ün üzerinde seçkin showroomda ürünleri tüketicilerin, mimar, müteahhit ve proje sahiplerine ulaşmakta olan **ARTPAN** ürünleri direkt ve dolaylı olarak 20 nin üzerinde ülkeye ulaşmaktadır. Yeniliklerin adresi olma misyonuyla ve sürdürülebilir büyüme vizyonuyla sürekli olarak fabrika, yüksek teknolojlili makine, AR-GE ve insan kaynaklarına yatırım yapmakta olan **ARTPAN** ürün ve servis kalitesiyle kendi ürün grubunda ve segmentinde lider marka bilinirliği ile prestijli projelerde özellikle tercih edilmektedir. **ARTPAN**, yurt içi ve yurt dışı fuarları yakından takip etmekte ve düzenli olarak yeni ürün tanıtımları ile ürün kalitesini ve çizgisini yükseltmek suretiyle takip edilen marka konumundadır. **ARTPAN** yenilikleri devam edecek.

The company **ARTPAN** has been established in 2004. **ARTPAN's** headquarter is located in Kayseri facilitating in import, export and production of wooden products in 15000 m² under 8000 m² covered area supplying door components to the largest manufacturers in interior door and furniture industry. **ARTPAN** is also proud of being first in launching natural wood veneered door skins in the market as well as manufacturing veneered door frames & profiles, back fleeced veneers in rolls and sheets, wood veneered glass beadings, skirtings and wood veneer edgebandings completing the whole range of products required for interior door production.

ARTPAN products have been used by over 2000 door manufacturers and displayed over 500 very well selected showrooms all over Turkey and have been preferred by interior decoration companies, architects, constructors and project holders especially in prestigious projects.

ARTPAN products have also reached to over 20 countries worldwide by export markets directly or Turkish customer's distributors or dealers in export markets. Being the adress of innovations in wooden door components industry and with the mission of sustainable growth, **ARTPAN** is continuously making investments in factory area, highest technology and machinery, R & D and human resources so that **ARTPAN** is highly respected in the markets as a leading brand in its product group in the middle high and high end segment of the market. **ARTPAN** believes the importance of fairs by attending national and overseas exhibitions globally and continuously introduces new products by improving product and service quality to keep being the leader brand and achieving the best market penetration globally. **ARTPAN** innovations will of course continue..

Doğanın değerini biliyoruz...

We understand the value of nature...

Ona en az zararı verecek üretimi yapıyor, ve doğallığı estetikle buluşturuyoruz...

With the most environmentally friendly production, we unite nature with esthetics...
